

MITCH Charter School

Code: BD/BDA

Adopted: 7/20/23

Board Meetings

The Board has the authority to act only when a quorum is present at a duly called regular, special or emergency meeting. “Meeting” means the convening of a quorum of the Board as the public charter school’s governing body to make a decision or to deliberate toward a decision on any matter. This includes meeting for the purpose of gathering information to serve as the basis for a subsequent decision or recommendation by the governing body, i.e. a work session. The affirmative vote of a majority of those present is required to transact any business.

All regular, special and emergency meetings of the Board will be open to the public except as provided by law. Access to and the ability to attend all meetings (excluding executive sessions) by telephone, video or other electronic or virtual means will be made available when reasonably possible. All meetings will be conducted in compliance with state and federal statutes. For information how to give or submit public comment it is outlined in Board policy BDDH - Public Comment at Board Meetings¹.

All Board meetings, including Board retreats and work sessions, will be held within the geographic boundaries over which the Board has jurisdiction except as allowed by law². The Board may attend training sessions outside these boundaries but cannot deliberate or discuss public charter school business. No meeting will be held at any place where discrimination on the basis of disability, race, creed, color, sex, sexual orientation, gender identity, age or national origin is practiced.

The Board will give public notice reasonably calculated to give actual notice to interested persons, including those with disabilities, of the time and place for all Board meetings and of the principal subjects to be considered. The Board may consider additional subjects at a meeting, even if they were not included in the notice.

If requested to do so at least 48 hours before a meeting held in public, the Board shall make a good faith effort to provide an interpreter for hearing-impaired persons. Other appropriate auxiliary aids and services will be provided upon request and appropriate advance notice.

¹ When telephone or other electronic means of communication is used during a meeting open to the public, the Board shall make at least one place available to the public where, or at least one electronic means by which, the public can listen during the meeting. At all meetings of the Board open to the public, the public will be provided an opportunity, to the extent reasonably possible, to access and attend the meeting by telephone, video or other electronic or virtual means. If in-person oral testimony (or public comment) is allowed, the public will be provided, to the extent reasonably possible, an opportunity to submit oral testimony during the meeting, at the designated portion of the agenda, by telephone, video or other electronic or other means. If in-person written testimony is allowed, the public will be provided, to the extent reasonably possible, an opportunity to submit written testimony including by email or other electronic means, so that the Board is able to consider the submitted testimony in a timely manner.

² ORS 192.630(4). Meetings of the governing body of a public body shall be held within the geographic boundaries over which the public body has jurisdiction, or at the administrative headquarters of the public body or at the other nearest practical location. Training sessions may be held outside the jurisdiction as long as no deliberations toward a decision are involved.

If requested to do so at least 72 hours before a meeting held in public, the Board will make a reasonable effort to provide translation services.

All meetings held in public shall comply with the Oregon Indoor Clean Air Act.

The possession of dangerous or deadly weapons and firearms, as defined in law and Board policy, is prohibited on public charter school property.

1. Regular, Special and Emergency Meetings

Generally, a regular Board meeting will be held each month. The regular meeting schedule will be established at the annual organizational meeting and may be changed by the Board with proper notice. The purpose of each regular monthly meeting will be to conduct the regular Board business.

Special meetings can be convened by the Board chair or upon request of 30 percent of the Board members then in office at any time to discuss any topic. A special meeting may also be scheduled if less than a quorum is present at a meeting or additional business still needs to be conducted at the ending time of the meeting. At least 24 hours' notice must be provided to all Board members, the news media, which have requested notice, and the general public for any special meeting.

Emergency meetings can be called by the Board in the case of an actual emergency upon appropriate notice under the circumstances. The minutes of the emergency meeting must describe the emergency. Only topics necessitated by the emergency may be discussed or acted upon at the emergency meeting.

2. Communications Outside of Board Meetings

Communications, to, by and among a quorum of Board members outside of a legally called Board meeting, in their capacity as Board members, shall not be used for the purpose of discussing public charter school business. This includes electronic communication. Electronic communications among Board members shall be limited to messages not involving deliberation, debate, decision-making or gathering of information on which to deliberate.

Electronic communications may contain:

- a. Agenda item suggestions;
- b. Reminders regarding meeting times, dates and places;
- c. Board meeting agendas or information concerning agenda items;
- d. One-way information from Board members or the executive director to each Board member (e.g., an article on student achievement or to share a report on public charter school progress on goals);
- e. Individual responses to questions posed by community members, subject to other limitations in Board policy.

E-mails sent to other Board members will have the following notice:

Important: Please do not reply or forward this communication if this communication constitutes a decision or deliberation toward a decision between and among a quorum of a governing body

which could be considered a public meeting. Electronic communications on public charter school business are governed by public meetings law.

3. Private or Social Meetings

Private or social meetings of a quorum of the Board for the purpose of making a decision or to deliberate toward a decision on any matter are prohibited by public meetings law.

4. Work Sessions

The Board may use regular or special meetings for the purpose of conducting work sessions to provide its members with opportunities for planning and thoughtful discussion. Work sessions will be conducted in accordance with state law on public meetings, including notice and minutes. The Board may make official decisions during a work session.

5. Executive Sessions

Executive sessions may be held as an agenda item during regular, special or emergency meetings for a reason permitted by law. (See Board policy BDC - Executive Sessions)
